

Omak Stampede Arena and Grounds Redevelopment **STAMPEDE ARENA REPLACEMENT**

The new arena will allow the 75 year old tradition of the Omak Stampede to continue well into the future. While funding for demolition and reconstruction of the existing wooden grandstands is secured, the current budget does not include dollars for any contingencies, restrooms, concession stands, beverage gardens, ticket booths or replacement of existing chutes, pens and other rodeo necessities.

You can support the rich legacy of the Omak Stampede by purchasing a plaque for a chair or bleacher back or sponsoring the construction of restrooms, concession stands, beverage gardens, ticket booths or replacement of existing chutes, pens and other rodeo necessities. These unique gifts and contributions will be a treasured memory for family and friends who visit the Stampede Arena for many years to come.

Engraved Items:

\$100 chair: up to two lines, 15 characters each \$50 bleacher back: up to two lines, 15 characters each
